

# West Central STREETS

*The Community Garden Preserves team from St. Matthew's-Maryland Community Ministry recently entered two products in a food competition put on by the Forks and won awards for both! The Peach-Zucchini Jam won 1st Place and the Pumpkin-Orange Marmalade came in 2nd. Third place went to someone who has a store in the Forks. And how did they celebrate their success? By getting together to make more jam! Call 774-3957 to order these award winning items or to learn more about other excellent products by Community Garden Preserves.
